THE MCR GROUP, LLC IS A LEADER IN CREATING NEW REVENUE FOR HOSPITALS FROM MEDICARE, MEDICAID AND 3RD PARTY PAYORS.

We will increase your Hospital's revenue, period.

An Engagement with The MCR Group, LLC is completely at No Risk or obligation. Our research and presentation of our discovered Adjustment requires No request for information from your Hospital. Once we have presented our information regarding your reimbursement opportunity, along with supporting CMS Regulations, it is then that you can decide:

1) if you wish to pursue the reimbursement opportunity, or 2) you wish to not pursue the reimbursement opportunity. Either way, you are informed with the most up-to-date information regarding your Hospital's reimbursement opportunity and its impact on your bottom line.

At **The MCR Group, LLC**, we understand that margin pressures make it imperative that Hospitals secure all of the Medicare reimbursement that is due. The day has long since arrived where we are consistently challenged with decreasing Medicare reimbursement payments, higher indigent patient cost, increased supplier/vendor costs, **new healthcare legislation**, as well as increased salary, bonus and employee benefit costs. These make operational cutbacks more routinely the rule than the exception. We understand the financial burden faced by Hospitals. Our dedicated team's hands-on experience in the research and review of Medicare cost reports over the past 29(+) years has resulted in our clients literally securing multi-millions of dollars from the Medicare Program through increased cost report reimbursement. Our way of doing business means that our team is dedicated to staying aware and knowledgeable of the most recent changes in healthcare reporting requirements to better serve you and exceed your expectations.

The MCR Group, LLC specializes in unique Adjustments, supported by CMS Laws, and developed by our team over the course of the last 29(+) years. Even in the face of a reimbursement system that is essentially totally prospective, we still believe that of the many ways a Hospital may potentially seek to increase net income, proposal of niche

adjustments to the Medicare cost report still results in the highest financial yield for the least expenditure of effort or resources.

We contractually bind ourselves to identify and exclude from our review any issues or adjustments a Hospital is already engaged in. Additionally, we require no documentation from a Hospital until our review is completed and adjustments have been identified.

95%
of MCR adjustments proposed to FI's nationally have been approved and paid.

Further, we provide a Hospital the option of termination of its Agreement with our Firm at any time during the engagement of our services for any reason or no reason at all.

Lastly, we provide a summary of observations and recommendations about the data provided as well as opportunities to maximize reimbursement in the future.

Bottom line: **The MCR Group, LLC** will assist you and your staff in receiving all the revenue to which you are entitled. We will not allow a complicated system or a set of ever-changing, complex regulatory compliance requirements to cost your Facility the reimbursement that is due, and in many instances, now past due. Our philosophy is simple, which we are certain you share; if additional reimbursement can legitimately be acquired in the current environment, "let's do everything within our power to obtain it for the benefit of the Hospital and the Community it serves."
